## Work Experience

- To-Mu  
Freelance designer and photographer. The design projects range from strategic product consultancy to concept development. 2013 - present, Delft, NL
- Exact  
Working with a team on creating a state of the art app and cloud software to fuel Exact's ambitious growth plans. My job title was "user experience designer" and I mainly initiated and executed the user experience research for this new project within Exact, to enable iterations based on user feedback. Sept 2016 - Nov. 2016, Delft, NL
- Orbit  
After winning second prize with the concept Orbit at the BlueDot Design Competition, in collaboration with BlueDot the design was being developed into a full-fledged sustainable product, however market introduction was canceled due to low quality of production with the use of recycled materials. 2014 - present, Delft, NL
- Reggs Design Agency  
Design intern: research for project presentations, high end visualisations for client presentations, preparing and attending various brainstorm sessions and 3D modelling and prototyping designs. 2015, Amsterdam, NL
- Photo comittee  
Commissioner photo events. During the course of the year, I was in charge of arranging photographers for events of the student Association I.D. of the faculty of Industrial Design and Engineering. 2010 - 2011, Delft, NL

## Achievements & Honors

### Photo exhibition at Google Chicago office

A part of my best photos are on display at the Google Chicago office, 1K W. Fulton.

May 2017 - May 2018, Chicago, USA

### JASSO Scholarship

In conjunction with this scholarship, JASSO sponsors a reservation program that sets aside scholarship allotments for privately financed international students who achieve a superior score on the EJU.

2015, Tsukuba, JP

### BlueDot

First runner up in the BlueDot Design Competition 2014. The theme of the competition was reusing waste material.

## About me

In my spare time I practise capoeira, and try to travel as much as possible to learn about cultures.

Design philosophy:

Designing holistically is as important as the detail design.
